

## Meet Prajapati

### Objective:

To obtain a position as a photographer, videographer, and editor in a creative environment where I can utilize my skills and experience to create engaging content. With a strong reputation in the industry and a significant following, I am committed to delivering exceptional work and exceeding client expectations.

Additionally, you may want to include any relevant metrics or numbers that demonstrate your popularity, such as the number of followers on your social media platforms or the number of events you have covered. This will help showcase your influence in the industry and set you apart from other applicants.

### Experience:

- Produced high-quality photographs, videos, and drone shots for various clients
  - Managed multiple projects simultaneously from pre-production to post-production
  - Collaborated with clients to understand their vision and exceed their expectations
  - Edited photos and videos using Adobe Creative Suite and Final Cut Pro
  - Maintained and organized equipment inventory
  - Maintained a strong social media presence and online portfolio
- 
- Photographed and filmed events, such as weddings, corporate events, and concerts
  - Conducted pre-event meetings with clients to understand their needs and preferences
  - Edited photos and videos to produce the final product
  - Managed event timeline and captured key moments
  - Maintained and organized equipment inventory

### Skills:

- Proficient in Adobe Creative Suite and Final Cut Pro
- Experienced in operating drone cameras
- Strong understanding of composition, lighting, and color theory
- Knowledgeable in event planning and management
- Skilled in working with clients to understand their needs and preferences
- Excellent communication and interpersonal skills
- Highly organized and detail-oriented
